

# Your town Your thoughts Your Kingston First

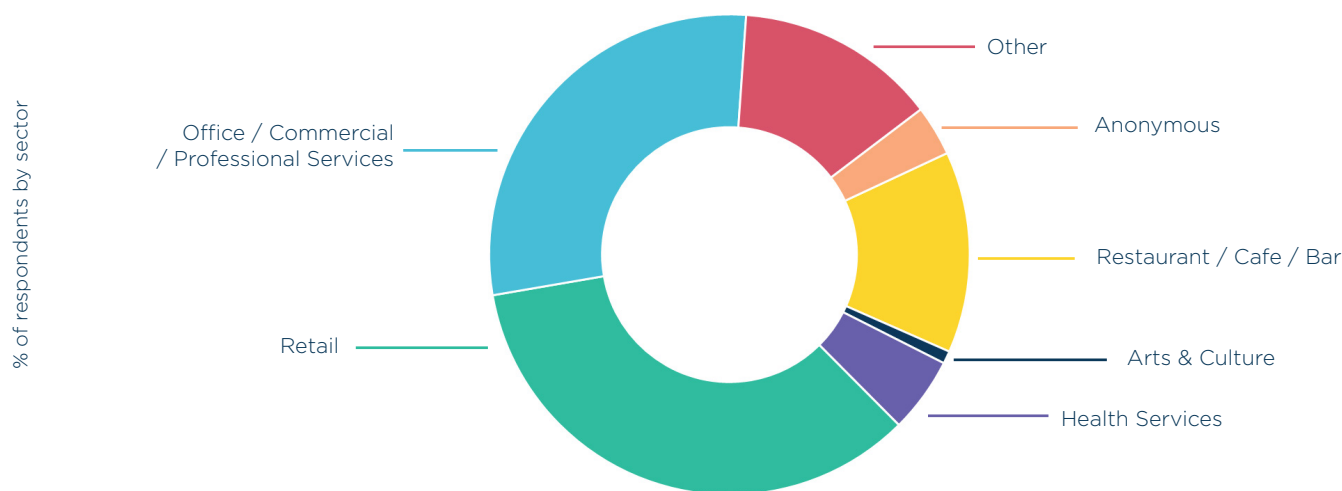

In September we issued a consultation survey to all members to ask for your feedback on our projects and services and what priorities you would like us to address for the 2020-2024 term.

Thank you to everyone who gave their feedback. Here is a summary of your responses.

## WHO RESPONDED

The survey was completed by respondents representing all business sectors in Kingston town centre.

## YOUR COMMENTS

We received a number of comments relating to the projects and services we currently coordinate as well as the priorities you would like us to address in the years ahead.

“ A voice that supports the continued development of the town so it remains a top destination in years to come ”

“ Events for networking, including charities/third sector and businesses ”

“ Kingston as a cultural destination ”

“ Create more student focused events ”

“ Cost of car-parking is an issue ”

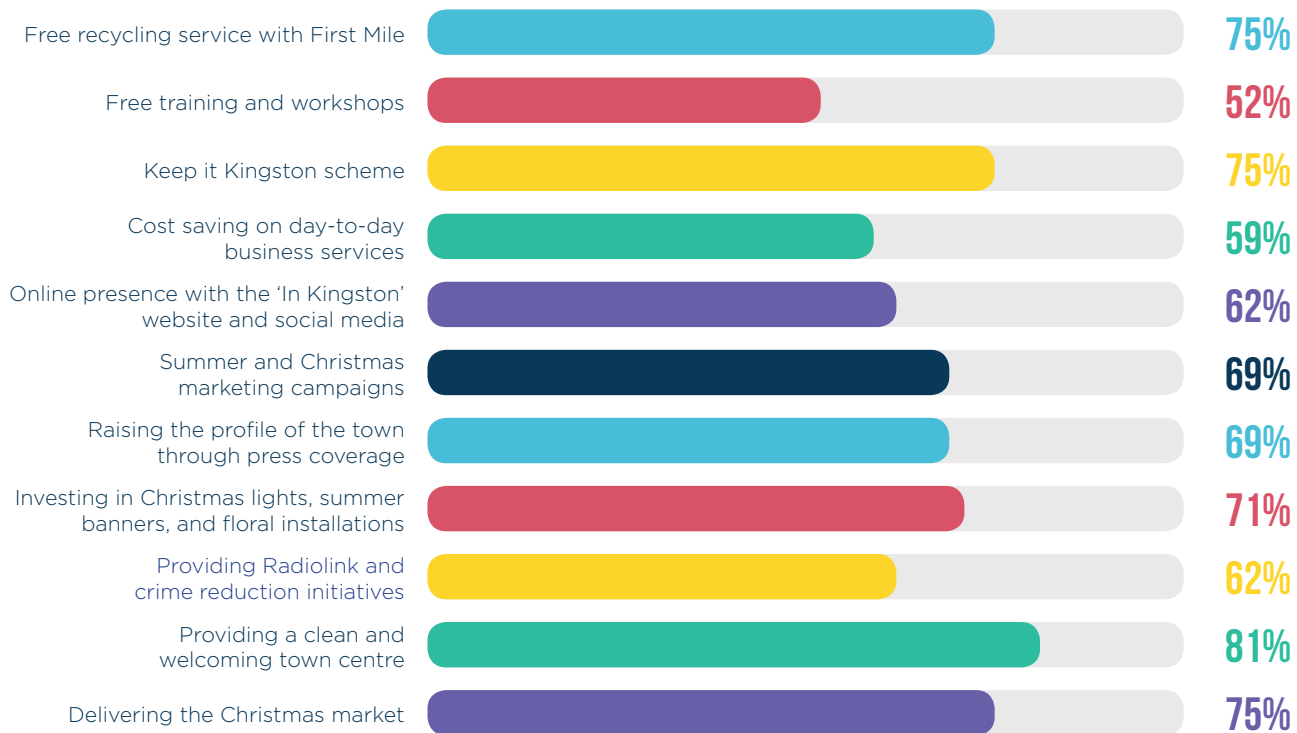

“ Would prefer a Keep it Kingston app instead of a card ”

“ More cleaning of streets ”

“ Kingston First needs to have a strong voice in influencing the future strategy for Kingston and at the heart of this needs to be a plan to improve accessibility and increase the number and frequency of visitors into Kingston. ”

## HOW YOU VALUE OUR PROJECTS & SERVICES

We asked you to prioritise a number of projects in order of how valuable they are to you and your business.

% of respondents that rated 'valuable/very valuable'

## YOUR PRIORITIES FOR 2020-2024

We asked you to prioritise a number of projects in order of how important they are to you and your business. We have ranked these below based on your feedback.
