

Training & Workshops Programme 23/24

April 2023 -
March 2024

Kingston First are proud to launch a **new free training and workshops programme** as part of our commitment to supporting our members in Kingston.

It has been created in response to your feedback and the current economic climate. It is aimed at helping you **learn smart, up-skill & connect**. There is something for everyone across all sectors and roles.

LEARN SMART WITH KINGSTON FIRST LEARNING HUB

Brand new for 23/24, we have partnered with SEEDL to create a brand new **Learning Hub** where you and your teams can:

- Access over 200 live virtual courses
- Enjoy free & unlimited access for you & your employees
- Learn from your desk or at home

Topics include; leadership, customer service, office 365, mental wellness, communication, retail, hospitality and lots more!

In partnership with

UP-SKILL & CONNECT

We firmly believe that it's important to have the chance to **connect** and **learn in-person**.

These sessions are aimed at helping you and your teams **learn practical skills** and connect with fellow businesses.

This will include areas such as:

- First Aid
- Fire Safety
- Cash Flow
- Riverside Safety
- Counter Terrorism
- Conflict management

Also look out for information on our **networking events** including summer & xmas drinks, and our popular **'Inspire' panel talks** with exciting guest speakers.

Turn over for information on dates and how to join these in-person sessions.

How to Join Our In-person Sessions

Confirmed details will be featured on our [website](#) and newsletters in advance of the sessions taking place. They will primarily be in person, but some may be online.

Drop an email to fred.stiddard@kingstonfirst.co.uk if you have any questions or would like to sign up. Places are allocated on a first come, first served basis.
