

DISCOUNTED TOWN CENTRE PARKING

Working with a number of the town's car park operators, Kingston First has secured the following parking discounts, exclusively for its members and their employees.

NCP FAIRFIELD, LADY BOOTH ROAD
£6.50 for 24 hours, up to 7 days a week
with NCP app for both Android and iOS smartphones.

The NCP scheme offers an unbeatable rate along with a quick and convenient way to pay for your parking on a daily basis. Downloading and registering with the NCP app couldn't be easier, and will provide you with a QR code that you must use each time you enter and exit the car park. This is linked to a debit/credit card which will then be directly charged for your parking each time you use it.

By registering via Kingston First you will be able to take advantage of the exclusive rate £6.50 per visit up to 24hrs, available 7 days a week. To enjoy the special rate, you need to be a 'Keep it Kingston' cardholder and you must request a unique 6-digit activation code from the Kingston First Office by emailing to info@kingstonfirst.co.uk.

This activation code will be needed in order to add the Promo Code which is: KINGSTONBID, and the discount to your account.
