

# WHAT WE DO

Our role is to **support members and provide projects and services** in addition to the services already provided by Kingston council and the Metropolitan Police. All of our work adds to the statutory services they provide and **wouldn't happen if Kingston First didn't exist.**

|  <b>A SNAPSHOT OF WHAT YOUR LEVY CONTRIBUTES TO AND KINGSTON FIRST'S ROLE</b> |  <b>A SNAPSHOT OF WHAT YOUR BUSINESS RATES CONTRIBUTE TO AND THE COUNCIL'S ROLE</b> |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Christmas - the lights and marketing                                                                                                                           | Day to day street cleaning, emptying the bins and fly-tipping                                                                                                          |
| Activations and campaigns in the town centre - chimp and bear trails, street art, Light up Kingston, Easter campaign, Indie campaign                           | Fixing and replacing street lighting and furniture                                                                                                                     |
| Services that save you time and money such as reduced cost recycling via First Mile and reports on footfall and spend                                          | Managing council car parks                                                                                                                                             |
| Additional deep cleans and graffiti removal                                                                                                                    | Providing community support to vulnerable and homeless people                                                                                                          |
| InKingston app, with offers for town centre employees and visitors, including discounted parking                                                               | Pest control in the town centre                                                                                                                                        |
| Free training including Fire Marshall and First Aid, and business networking events                                                                            | Managing licencing and enforcement matters                                                                                                                             |
| Extra flowers and planting in the town centre                                                                                                                  | Overseeing and managing roadworks and road closures                                                                                                                    |
